BENEFITS

What if you had an accident?

Joey has been a driver for the Freight Division for 20 years. He recently elected coverage from the Teamsters' Group Accident Insurance plan, which can help cover medical expenses that major medical coverage doesn't pay for.

Joey slips and falls in the rain one afternoon, breaking the fibula bone in his leg. Now, Joey can't drive for six weeks, and he's worried about how he's going to pay for his medical bills and daily living expenses.

Luckily, he remembers that he has Accident Insurance from Allstate Benefits and files a claim. Allstate Benefits sends Joey a claim payment to help him cover some of his out-of-pocket expenses.
